In accordance with the Court's Order (ECF 221), Lead Plaintiff Strathclyde Pension Fund respectfully submits this report regarding the status of claims administration.

Counsel has been informed by the Court-approved Claims Administrator, Gilardi & Co. LLC, that as of December 14, 2022, a total of 151,642 claims packages were disseminated to potential Class Members or their nominees. In response, 64,907 claims were submitted, either by mail (3,371), the on-line portal via the settlement-designated website (1,190), or electronically (by financial institutions or third-party filers) (60,346). Processing of those claims for validity and calculation of recognized loss pursuant to the Court-approved Plan of Allocation is ongoing and any estimation of valid claims and the losses they represent is premature.

In its next scheduled update, March 3, 2023, Lead Counsel will be in a position to provide the Court with more specific data regarding the number of valid (and invalid) claims and the recognized losses represented by the valid claims.

DATED: December 16, 2022

Respectfully submitted,
